

Your SAWDUST | SAVVY Bachelorette Party

1

Book Your Group. Our easy online [Book a Group](#) form will get the process started. We will make sure we have the availability on the date selected, create a private registration page for your group, get the host registered with the information provided, and then forward the registration link to the host.

2

Get Your Group Registered. The host will forward the registration link to the group, and they will have 7 days to get registered. Note: there is no additional fee to hold a group of seats.

3

The Bride Attends for FREE! When the Bride and 10 or more friends register by the deadline, the Bride will be credited back her registration fee (up to \$99).

Terms & Conditions

See our [online calendar](#) for available dates. Don't see your date? Request it to see if we can make it work! We are happy to schedule up to 6 months in advance! Bridal parties will be seated together but may require multiple tables, at which point you will be seated near one another. Group participants can choose from any of our available projects and designs. Due to liability reasons, only paid participants are allowed in our studio during the workshop. You may BYOB but all participants are limited to one beverage, after the power tools have been used, and must be 21 years of age or older. Alternately, there are two bars located in our building where you can purchase a beverage and bring it back to our studio to enjoy.
